Career education opportunities available

Health Care and Social Assistance continues to lead in the number of job postings, with Mercy Health, SSM Health Care, BJC HealthCare, HCA Healthcare, and Saint Luke's Health System taking half of the spots in the top 10 of employers with the most job postings in Missouri.

There are numerous opportunities for Missourians to begin or grow a career in the health care industry.

The Fast Track Workforce Incentive Grant is available for adults needing financial aid to pursue a certificate, degree, or industry-recognized credential in an area designated as high need, such as health care. Missourians can also earn a salary while training for a career in health care or another industry at moapprenticeconnect.com.

Sources: Data for this analysis has been extracted using Lightcast™ (formerly Burning Glass/EMSI) tool that collects information from over 35,000 web sources, including job boards, newspapers, and large and small employer websites. Missouri Economic Research and Information Center (MERIC) uses this data to compile and publish reports for the state and labor market regions. While this analysis presents a broad picture of hiring activity and serves as a measure of labor demand, it does not capture openings that are filled through other networks.
